Colon Hydrotherapy is an effective method of cleansing the large intestine (colon). Your therapist does not diagnose diseases or prescribe medication. It is your responsibility to provide pertinent health information and to inform the therapist of any changes. The office will provide a form to assist you in collection from your insurance company, however, services rendered are payable at the time of service unless special arrangements have been made prior to your appointment. We reserve the right to refuse service if client is under the influence of illegal drugs or alcohol.

**IF YOU HAVE ANY OF THE ABOVE LISTED CONDITIONS COLON HYDROTHERAPY CANNOT BE DONE!**

Please sign that you have reviewed the contraindication list.
